NEW GEAR BOX FOR TS327 / HT27 HEDGETRIMMERS

PREMODIFICA - *OLD ASSY*

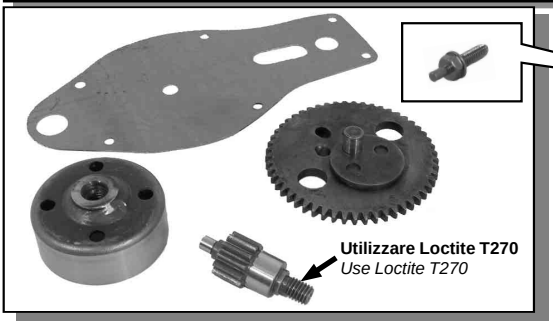

POSTMODIFICA - *NEW ASSY*

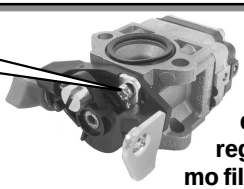

Il carburatore WYJ-228 (cod.2318910) differisce dal WYJ-263 (cod.2318970) per la presenza di un fermo al posto della vite di fissaggio supporto. - *The WYJ-228 carburettor (p/n 2318910) differs from the WYJ-263 one (p/n 2318970) for a pin instead of the support fixing screw.*

mod. 58040270A

KIT cod. 58042123A per il montaggio sulle macchine premodifica.
KIT P/N 58042123A suitable for old assy units.

Sostituire la vite di fissaggio del supporto vite registro con il fermo filettato contenuto nel kit. La mancata sostituzione può comportare il danneggiamento del cinematismo e conseguente decadimento della garanzia. - *Replace the clamping screw of the register screw support with the threaded clamp included in the kit. If the screw is not changed this could cause the gear box damage and warranty is lost.*
